

Web/MedBiz® OneRate

Two options offering a comprehensive package of Medical Business Services and EMR for OneRate based on % of collections

Option 1

- All qualified Health Care Offices will receive a **monthly subsidy up to \$650** for the acceptance of our EMR partnership program.* Our PM/EMR partner eCLINICAL WORKS® and qualified team maintain the complete Practice Management Module freeing your office to focus on the actual EMR module.
- **Full Service Revenue Cycle Management Program** via the Web MedBiz Billing Center. Founded in 1993, our years of experience and proven track provide winning Working Partnerships.
- One Stop solution with site preparation and purchasing new hardware for your EMR implementation

Option 2

- Clients can opt to exclude EMR Partners and receive complimentary use of our own **Web/MedBiz PM®** which the latest in Web Based Practice Management Applications. Our fees are based on a % of your collections and **includes our Full Service Revenue Cycle Management program.**

The Bottom Line: Dollars & Sense

Operations: *Do not let adoption of EHR jeopardize your financial stability!* We enable healthcare practices to carve out the routine billing and collection tasks to afford smarter decisions regarding patient care and new revenue opportunities.

Increased Accountability and Quality: Our Working Partnership ensures that the left hand always knows what the right hand is doing! Your practice can allocate additional man hours to adapt to your EMR, promotions, and marketing to new patients. We eliminate the need for specialized expertise and hard-to-fill positions.

Fees: The fee for our Web/MedBiz OneRate is based as a percentage of your healthcare practice's monthly collections. Simply stated, **You work hard for your money; We don't get paid until we collect it!**

Cash Accelerator: Our MedBiz model and technology can reduce your cash-back cycle from 60 days to just 35 days. **Let us demonstrate how you can accelerate in getting ash back into your practice.**

*Our subsidy is based upon results of criteria established by Web/MedBiz Inc.®
